

Safety is for life.

## SURELY SOMETHING FOR YOU: REMBE® IS STRENGTHENING ITS TEAM!

REMBE® GmbH Safety + Control has been among the world market leaders for over 40 years in the areas of pressure relief and explosion safety. Our products are „Made in Germany“, and they are developed and manufactured in the Sauerland city of Brilon. Sales activities are conducted through a worldwide network of company-owned satellite offices and representatives.

As an independent family-owned business, we are growing at a steady pace. Our customers are market leaders in the fields of **chemical, pharmaceutical and food production, as well as companies from the oil and gas, aerospace and wood processing industries.** We, the REMBE® workforce, are a communicative, international team, committed to the success of our company within in a family atmosphere.

For the expansion of our team, we are looking for:

### EXTERNAL SALES

to be deployed in the field for the European sales region / process safety area
